

Cooper Tyme Real Estate

Cooper Tyme Real Estate was formed on September 1st, 2007, but the Broker of Record, Brenda Cooper, has been in the real estate business since 1987. Brenda Cooper brings knowledge of the area and experience in sales of residential, farm, commercial and industrial properties.

The area that Cooper Tyme Real Estate covers is broader than just Norfolk. Cooper Tyme Real Estate belongs to 5 different Real Estate boards, including Simcoe, Tillsonburg, Hamilton, Woodstock and Brantford. We are members of each board so we can market your property in different areas other than the local area. Also, for servicing buyers, we can search for properties in these and the surrounding areas, along with having information on sales in the market place at our fingertips.

Being able to provide as much information as possible to you, as the Seller or Buyer, can help you in making a knowledgeable and informed decision.
